About SITAMS

Sreenivasa Institute of Technology and Management Studies (SITAMS) was established in 1998 by Late Dr.D.K.Audikesavulu, Former Chairman of Tirumala Tirupati Devasthanams and Ex. MP, Lok Sabha, a Mechanical Engineer by profession and also a prominent industrialist possessing industrial establishments in the states of Karnataka, Tamilnadu, Andhra Pradesh and Madhya Pradesh.

The institution is an Autonomous Institution, achieved 'A' Grade by Andhra Pradesh Higher Education and NAAC accredited Institution. The college is offering 5 Undergraduate and 8 Postgraduate courses in Engineering and Management Studies. Here the students are offered a paralleled state of infrastructure to create a highly conducive environment. We are in high spirits and our mirth knows no boundaries to announce that SITAMS, a pioneer of value based education is awarded Accreditation during 2008 to till date by National Board of Accreditation, AICTE, and New Delhi and got Autonomous during 2013-2014.

About Department

The Department of Computer Science & Engineering is one of the major Departments of Sreenivasa Institute of Technology and Management Studies was established in the year of 1998 with the approval of AICTE. The Department has grown steadily over the years from an intake of just 40 students in 1998 to 60 students in 1999, 90 students in 2000 and currently 120 students in B. Tech. The Post Graduate course (M.Tech) in CSE was introduced in the year 2006 and another Post Graduate Course (M. Tech) in Software Engineering was introduced in the year 2010. The Department has well equipped laboratories enriched with the latest hardware & software and motivated, committed and enthusiastic faculty, those involved in providing Quality Education at both B. Tech and M. Tech Programmes. The Department has been accredited by NAAC and NBA in the year 2008 and 2012.

About Workshop

Image Processing is an active locale of research. Image enhancement, Image transforms, Image segmentation, feature extraction, dimensionality reduction, classification, and retrieval are major research domains with plenty of applications. This workshop caters the needs of all researchers working in image processing domain in general and in image classification and retrieval in specific. Hands on exercises with MATLAB software will open a door for programming in image processing. In addition, to this provides a road map to choose their research problems for beginners.

TOPICS TO BE COVERED

- ✓ Fundamentals of Image Processing
- ✓ Applications and Scope of Image Processing
- ✓ Image Enhancement
- ✓ Image Transforms
- ✓ Image Segmentation
- ✓ Feature extraction and Dimensionality Reduction
- ✓ Image Classification and Retrieval
- ✓ Hands on MATLAB sessions

Resource Persons

All the lecture/hands-on sessions will be delivered by experts from Academics.

Dr. K. Rajakumar,

Associate Professor,
VIT University, Vellore, Tamilnadu.

Prof. S. Premkumar,

Associate Professor,
Adhiparasakthi College of Engineering,
G.B. Nagar, kalavai
