### **CHILDREN'S DAY**

**DATE:** 14-NOV-2020,

**PLACE:** Chittoor.

Children's day is celebrated every year on 14 November 2020 to celebrate children and the joy they bring all over the world.

The day also marks the birth anniversary of Pandit Jawaharlal Nehru who was extremely fond of children. In fact, it was his love and affinity towards children that the Children's Film Society India was established in 1955. Children's day is thus celebrated as a day to not only remember the importance of children but also their rights and care for their needs.

As a part of “Children’s Day” We Sreenivasa Institute of Technology and Management Studies conducted awareness program in GOVT. school and visited child orphanage home to provide food, clothes and blankets for children.
