ABOUT THE FDP

The Introductory Faculty Development Program (FDP) on Universal Human Values (UHV) is a program that aims to help participants understand the importance of UHV in their lives and how to apply it in various aspects:

- Promoting ethics and morality
- Building a cohesive society
- Contributing to global peace and harmony
- Fostering personal development
- Addressing contemporary challenges
- Living a fulfilling life
- Maintaining harmony at the individual, family, society, and nature level

The FDP is conducted through a systematic study of harmony from the individual to the family, society, and natural existence. It involves self-inquiry and self-verification, which can lead to self-confidence and self-evolution
