Three Day Workshop
On

Programming Skill Enhancement, Professional Reporting Tool Introduction & Best Practices Sharing

A Report on Three-Day Workshop on "Programming Skill Enhancement, Professional Reporting Tool Introduction & Best Practices Sharing" organized by MCA Department With an objective to acquaint the students with knowledge of programming for graphical environment, report writing tool and campus wide LAN architecture, organized a three day workshop for MCA students in the departmental seminar hall from **5th to 7th August, 2019**. The program was inaugurated by Prof. M. E. Palanivel, HOD, MCA Department along with an inaugural speech highlighting the importance of these topics for the students.

The resource persons were the faculty members of Information Science and Engineering department of Malnad College of Engineering, Hassan, Karnataka. They were Dr. A. Geetha Kiran ,Professor, Ms. Nanditha B R, Assistant Professor, Mr. A M Vinod , Assistant Professor.

Dr. Geetha Kiran explained the importance of producing good quality technical report and taught the students how the same can be done using the report writing tool Latex.

Ms. Nanditha taught two graphical programming environments, namely, Scratch and Greenfoot and showed how simple games can be developed.

Mr. Vinod explained the architecture of networks and taught the students how campus networks are set up using various components. The event was a successful one. The workshop was relevant to the title and were well-appreciated by the students. After completion of this workshop students have felt encouraged to explore these areas further.
